San Francisco, California 94105

Subject: Public Notice and Public Comments for the “Exceptional Events Demonstration for Ozone Exceedance in Washoe County, Nevada from the Trailhead Fire on July 2 through July 4, 2016”

Dear Ms. Kurpius:

Pursuant to 40 CFR 50.14(c)(3)(v), the 30-day public comment period for the “Exceptional Events Demonstration for Ozone Exceedance in Washoe County, Nevada from the Trailhead Fire on July 2 through July 4, 2016” began on April 14, 2017 concurrent with review by EPA Region 9. The Demonstration was made available on the Washoe County Health District, Air Quality Management website (OurCleanAir.com) and in the office.

Enclosed is notarized documentation that the public notice was published in the Reno Gazette-Journal on April 14, 2017. No written comments were received during the public comment period.

If you have any questions or need additional information, please contact Mr. Daniel Inouye or Ms. Julie Hunter at (775) 784-7200.

Sincerely,

Charlene Albee, Director
Air Quality Management Division
